

Worksheet 48

My Multi-Agent Workflow Creator

Step 1: Pick Your Two Agents to Chain

- Choose two agents you want to work together:
 - [] Travel Companion (Tutorial 41) + Personal Finance Assistant (Tutorial 39)
 - [] Household Manager (Tutorial 42) + Health Coach (Tutorial 40)
 - [] Side Business Assistant (Tutorial 44) + Content Publishing Assistant (Tutorial 45)

Step 2: Define Your Primary Goal

- What overall outcome do you want this workflow to produce?
 - (e.g., *Plan a 3-day weekend trip within a \$600 total budget*)
 - **My Goal:**

Step 3: Run Your Chaining Prompt

- Fill in the blanks and submit this prompt:

*"First, act as my **[Insert Agent 1]** and create a **[Insert First Task]**. Next, pass that information to my **[Insert Agent 2]** to turn it into a **[Insert Second Task/Format]**."*

Step 4: Reflection & Review

- Did passing the information directly between agents save you time compared to doing it in separate prompts? _____
