

Worksheet 49

My Digital Legacy Project Planner

Step 1: Choose Your Project Topic

- What content, life stories, or specialized knowledge do you want to package? (*e.g., Family Heritage Recipe Book, Personal Life Memoir, Local History Guide*)
 - **My Topic:**

Step 2: Identify Your Audience & Format

- Who are you creating this for?
 - [] Family & Friends only (Digital PDF / Printed Photo Book)
 - [] Community / Local Groups (Shared Digital Link or Booklet)
 - [] Online Audience (E-book platforms / Self-publishing)

Step 3: Practice Your Initial Prompt

- Fill in the blanks and submit this prompt to your AI assistant: "*I am working on a digital project about **[Insert Topic]**. I want to create a **[Insert Target Format, e.g., 5-page PDF]** for **[Insert Audience, e.g., my grandchildren]**. Suggest a short 3-step action plan to help me draft the first chapter.*"

Step 4: Action & Reflection

- What is the title of the first story, recipe, or chapter you will draft today?

- What is 1 editing task you will ask your AI to refine today?
