

Worksheet 54

My Visual Assistant Companion Guide

Step 1: Choose Your Visual Task

- Select a digital interface element or document to evaluate today:
 - [] A confusing smartphone app menu or new update screen
 - [] A lengthy terms-of-service agreement or privacy disclaimer
 - [] A suspicious email, text message, or pop-up message

Step 2: Run Your Setup & Image Prompt

- Upload your image and submit this prompt:
- *"Act as my AI Visual Interpreter. Look at this attached screenshot of my **[Insert App/Message Type, e.g., email inbox / banking app update]** . Explain the main purpose of this screen in plain language and highlight any important buttons or warnings I should know about."*

Step 3: Action & Reflection

- What was the main clarity benefit you gained from this visual translation?

- What is 1 app or pop-up warning you feel more confident navigating now?
